The last date for the submission of tenders is 22nd August 1924.

N. ANANDALWAR,
Executive Engineer.

TUMKUR DIVISION.

Abstract Notification.

The attention of the public is invited to the detailed notification dated 1st August 1924, calling for tender to take up the contract for putting up a verandah in front of the Taluk Cutcherry at Pavagada, published in page 524, Part VI of the *Mysore Gazette* dated 7th August 1924.

V. V. KARVE,
Executive Engineer.

MISCELLANEOUS DEPARTMENTS.

GOVERNMENT OF MYSORE STORES PURCHASE COMMITTEE, BANGALORE.

Notice No. S. P. C. 1116, dated the 5th August 1924.

1. Sealed tenders will be received in the office of the undersigned up to 12 noon on Saturday the 30th August 1924, for the supply of clothing materials and other uniform articles required for the use of the Mysore Government Departments. The approximate quantity and description of the articles required are given in the subjoined statement, and tenders should be sent in the form of that statement duly noting in column left blank, the rate at which the articles will be supplied. Tenders should be superscribed "Tenders for the supply of clothing materials and other uniform articles for the Government Departments."

2. Earnest money of Rs. 100, which should be only by means of cheques on Imperial or Mysore Banks, as well as samples should accompany the tender without which the tenders will not be considered. Standard samples of the articles required will be available for inspection at the office of the undersigned on working days between 11 A.M. and 5 P.M.

3. The rates given in the tender should include the cost of delivery of the articles *free on rails at Bangalore Railway Station* and should hold good for at least thirty days from the date fixed for opening the tenders.

4. The quantities given in the accompanying schedule are only approximate. The actual quantities to be purchased may be either more or less up to a limit of 20 per cent. If additional quantities than those mentioned in the schedule are actually required the successful tenderer will be expected to supply such additional quantities at the accepted rate only. The whole of the quantities of the various articles will be drawn within 30th June 1925. The successful tenderer should be prepared to supply such quantities as may be indented for from time to time within two weeks from date of such intimation. No claim for compensation on account of rise in prices due to whatsoever causes will be admissible during the contract period.

5. Final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

6. The name of the successful tenderer will be notified in due course and he will be required to deposit as security the amount noted against the article in column 5 and to execute an agreement for the due fulfilment of the contract for the supply required, within eight days of the intimation of acceptance of the tender. The earnest money will be forfeited to Government, if the tenderer, whose tender is accepted, fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in column 5 of the subjoined statement, or if the tenderer withdraws his tender before the acceptance or non-acceptance of his tender is communicated to him. The earnest money on rejected tenders will be returned.

7. Should the contractor fail to comply with any of the conditions detailed above, his contract will forthwith be cancelled, and the deposit forfeited to Government.

8. In case of dispute as to whether the supply of the articles is similar to that of sample deposited and as regards the performance of the contract the decision of the Stores Purchase Committee shall be final and binding on the successful tender.

Statement showing the approximate quantities of clothing materials and other uniform articles required by the Mysore Government Departments.

Notice No. S. P. C. 1206, dated 11th August 1924.

Sealed tenders will be received by the undersigned for the supply of sulphate of alumina as per specifications given below required for the Water Supply Division, Bangalore. The approximate quantity of the material required is given in the subjoined statement, and tenders should be sent in the form of that statement duly noting in columns left blank, the rate at which each of the articles will be supplied. The rate quoted should be C. I. F., Madras or F. O. R., Bangalore.

Conditions.

The tenders should reach the undersigned before 12 noon on Tuesday the 30th September 1924, and should be superscribed "Tenders for the supply of sulphate of alumina to the Water Supply Division, Bangalore". The tender should be accompanied by an earnest money of Rs. 100, which should be only in cash or in cheques on the Imperial or the Mysore Banks, Bangalore, without which the tender will not be considered.

2. The whole quantity of the articles should be delivered before the 15th February 1925, to the officer noted in column 4 of the subjoined statement.

3. Final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

4. The name of the successful tenderer will be notified in due course and he will be required to execute an agreement for the due fulfilment of the contract for the supply required within eight days of the intimation of acceptance of the tender, and in default, his tender will be cancelled and his earnest money forfeited. The earnest money on rejected tenders will be returned.

5. The tender should be accompanied by samples and certificates of analyses in support of the quality of sulphate of alumina offered, in the absence of which the tender will not be considered.

6. The specification of the sulphate of alumina to be supplied shall be as follows:—

The basic sulphate of alumina shall be free from arsenic and poisonous metals and suitable for use in connection with a potable water supply and guaranteed to contain 17 per cent of alumina soluble in water and of this amount, at least 5 per cent shall be in excess of the amount theoretically required to combine with the sulphuric acid present. It shall not contain more than 0·1 per cent of matter insoluble in water and it shall be practically free of chips and debris of all kinds. It shall not contain more than 0·5 per cent of Iron (Fe_2O_3) and the iron shall be preferably in the ferrous state. The alum shall be crushed to pieces of such a size that they shall pass through a ring three inches in diameter.

7. The contract shall not be sublet.

8. The contract will also state that in the event of failure to deliver the articles before the 15th February 1925, the earnest money deposited by the contractor will be forfeited and that a sum not exceeding Rs. 10 a day will be levied from the contractor for every day of delay in delivery after the 15th February as and by way of liquidated damages.

9. In all matters of dispute relating to the quality and quantity of the material supplied, the decision of the Stores Purchase Committee shall be final.

SCHEDULE.

Statement showing the quantity of sulphate of alumina required for the Water Supply Division, Bangalore.
